Major Event Instructions 2015 issue 1

29er

These Major Event Instructions (MEIs) are published to give information that is common to all events organised by the UK 29er Class Association in conjunction with a host club, including Grand Prix events, Winter Championships and Inland Championships. Supplementary Sailing Instructions (SSIs) published by a host club will detail matters concerning a specific event, and shall be produced and made available to competitors by the host club in accordance with these MEIs prior to an event. These MEIs may be used for other events by referring to them in the Notice of Race for that event.

1 RULES

- 1.1 Racing will be governed by the rules as defined in the Racing Rules of Sailing, the International 29er Class Rules, the UK 29er Class Association Major Event Instructions (MEIs), and the local or Supplementary Sailing Instructions (SSIs). This changes RRS 63.7.

2 NOTICES TO COMPETITORS

- 2.1 All notices to competitors will be posted on the official notice board. The SSIs will specify its location.

3 CHANGES TO SAILING INSTRUCTIONS

- 3.1 Any change to the MEIs or SSIs will be posted on the official notice board not less than 60 minutes before Flag D is displayed, except that any change to the schedule of races will be posted by 19:00 hours on the day before it will take effect.

4 SIGNALS MADE ASHORE

- 4.1 Signals made ashore will be displayed at the place specified in the SSIs.
- 4.2 When flag AP is flown ashore, '1 minute' is replaced with 'not less than 30 minutes' (change to Race Signals).
- 4.3 If the fleet is divided into flights, one or more flight flags beneath flag AP indicates that those particular flights have been postponed.
- 4.4 Boats shall not go afloat until flag D is displayed. If boats are to be launched by flight, then the flight colours of those to be released will also be flown.

5 FORMAT OF RACING

- 5.1 The format of racing will be specified in the SSIs. This may include single fleet, groups or qualifying / final series.
- 5.2 Where the fleet is divided into groups or qualifying / final format, the following shall apply:
- Allocation: The Race Committee will allocate each boat to one of up to four flights, yellow, blue, red, green as posted on the official notice board.
 - Flight Identification: Each boat shall display the coloured flight identification card, provided by the organisers, in the pocket on the foot of her mainsail or a coloured ribbon tied to the mainsail head.
 - Flight Starts: Will be as shown in Appendix 2 of these instructions. The second flight in each race will normally start not less than six minutes after the previous start.

6 SCHEDULE OF RACES

- 6.1 The dates for racing will be published in the Notice of Series and / or Notice of Race.
- 6.2 The format for two day events is that there will be no more than nine races in total, with five races scheduled for the first day, and four races scheduled for the second day. However, additional races may be sailed on either day if weather or other reasons dictate. If this is the case then it will be identified by flag F flying on the committee boat.

- 6.3 The scheduled time for the first warning signal of the first race on each day of a two day event will be defined in the SSI's.
- 6.4 On the last day of a two day event no warning signal shall be made after 1530hrs.
- 6.5 To alert boats that a race will begin soon, an orange flag will be displayed (with one sound) for at least 5 minutes before a warning signal is displayed.
- 6.6 When more than one race will be held on the same day, the warning signal for the second and each succeeding race will be made as soon as practicable.

7 CLASS FLAGS

- 7.1 If the fleet is sailed as one fleet, then the class flag will be orange with the class insignia on it.
- 7.2 If the fleet is divided into flights, the class flags will be those whose colour corresponds to the flight. For example, yellow and red.
- 7.3 When the fleet is divided into Gold, Silver and/or Bronze and/or Emerald fleets the class flags will be:
 - a) Gold Fleet = YELLOW flag
 - b) Silver Fleet = BLUE flag
 - c) Bronze Fleet = RED flag
 - d) Emerald Fleet = GREEN flag

8 RACE AREA

- 8.1 The Race Area for racing will be defined in the SSI's.

9 COURSES

- 9.1 The diagram in Appendix 1 shows the courses, including the course signals, the order in which marks are to be passed, and the side on which each mark is to be left.
- 9.2 No later than the warning signal, the race committee signal boat will display a numeral Pennant or a board clearly displaying the number of laps to be sailed.
- 9.3 When rounding the leeward gate, boats shall sail between the gate marks from the direction of the previous mark and round either gate mark.
- 9.4 When one of two gate marks is missing then the remaining mark shall be passed to port.

10 MARKS

- 10.1 The marks will be described in the SSIs.

11 THE START

- 11.1 Races will be started in accordance with RRS 26.
- 11.2 The starting line will be between the mast displaying an orange flag on the committee boat at the starboard end and the mast displaying an orange flag on the port end boat or a buoy with an orange flag.
- 11.3 A boat starting later than 4 minutes after her starting signal will be scored Did Not Start without a hearing. This changes RRS A4 and A5.
- 11.4 Boats whose warning signal has not been made shall keep clear of the starting area and of all boats whose warning signal has been made.
- 11.5 When a race is started under RRS 30.3, the Black Flag Rule, is recalled, the sail numbers of disqualified boats will be displayed on the race committee boat with a long sound signal, for at least three minutes. When the race is restarted, a disqualified boat shall not sail within 100 metres of the starting line before the starting signal, nor after the starting signal within an imaginary line drawn 100 metres outside any area where a boat might sail whilst racing. The penalty for breaking this Major Event Sailing Instruction or Supplementary Sailing Instruction is that the disqualification is not excludable (DNE).
- 11.6 When a race is started under RRS 30.3, the Black Flag Rule, and boats are identified as OCS, they may be hailed at the windward mark or the next available opportunity thereafter, and must immediately retire from the race, and sail well clear of the race area. The Race Committee may

impose a 5 points or DNE (Do Not Exclude) penalty for any boat that fails to comply with this instruction.

- 11.7 If flag U has been displayed as the preparatory signal, no part of a boat's hull, crew, or equipment shall be in the triangle formed by the ends of the starting line and the first mark during the last minute before her starting signal. If a boat breaks this rule and is identified, she shall be disqualified without a hearing but not if the race is restarted or resailed or postponed or abandoned before the starting signal. This changes RRS 26 (Starting Races) and RRS 63.1 (Requirement for a Hearing). When flag U is used as the preparatory signal RRS 29.1 (Individual Recall) does not apply. The scoring abbreviation for a flag U penalty is UFD. This changes A11 (Scoring Abbreviations).

12 THE FINISH

- 12.1 The finishing line will be between a mast with a blue flag on the committee boat and the mast displaying a blue flag on the port end boat or a buoy with a blue flag.
- 12.2 After finishing and clearing the finishing line boats shall keep clear of the finishing area and of all boats not yet finished.
- 12.3 Boats re-crossing the finish line in the direction from the last mark will be scored for their final crossing.
- 12.4 Alternative Finishing Line
- When an official boat displays flag W with two sounds, boats will be finished by this official boat.
 - When a boat finishes in accordance with 12.4 a) she shall be given a finishing place after all boats which complete more legs of the course.

13 TIME LIMIT

- 13.1 The target time for the first boat to finish is 35 minutes. Boats failing to finish within 20 minutes after the first boat finishes will be scored Did Not Finish. This changes RRS 35.
- 13.2 If no boat has passed Mark 1 within 25 minutes of the start the race will be abandoned.
- 13.3 If no boat finishes within 50 minutes of the start, the race will be abandoned.
- 13.4 Abandonment under MEI 13.2 or 13.3 will not be grounds for redress. This changes RRS 62.1(a).

14 PENALTY SYSTEM

- 14.1 RRS 44.1 is changed so that only one turn, including one tack and one gybe, is required.
- 14.2 Appendix P will apply, as changed by instructions 14.1 and 14.3.

15 PROTESTS, EXONERATION PENALTIES, ADVISORY HEARINGS AND DECLARATIONS

- 15.1 A sailor wishing to lodge a protest will advise the committee boat or Jury boat, and receive an acknowledgement, at the first reasonable opportunity after finishing or retiring from the race concerned.
- 15.2 Unless specified otherwise in the SSI's, the Exoneration Penalty and the Advisory Hearing and RYA Arbitration procedures of the RYA Disputes Procedures will be available. The Official Notice Board will give details of these procedures.
- 15.3 When the Organising Authority appoints a Protest Committee independent of the Race Committee, the Terms of Reference of the Protest Committee will be posted on the official notice board.
- 15.4 Protests will be written on forms available at the race office and delivered there within Protest Time which will end 30 minutes after the last boat comes ashore after the last race of the day.
- 15.5 When the chairman of the Protest Committee is an International Judge or National Judge and the Protest Committee decides that an infringement, other than an infringement of Part 2, has had no significant effect on the outcome of the race, it may impose a penalty of one or more points or make such other arrangement as it thinks fair. This may be to impose no penalty. This amends RRS 64.1.

- 15.6 A notice will be posted no later than 30 minutes after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses. This is the notification required by RRS 63.2. Advisory hearings, arbitration hearings and protest hearings may begin without a notice and within protest time when the parties are available.
- 15.7 On the last day of an event a request for re-opening a hearing shall be delivered:
- within the protest time limit if the party requesting re-opening was informed of the decision on the previous day.
 - no later than 30 minutes after the party requesting re-opening was informed of the decision on that day.

This changes RRS 66.

- 15.8 No boat may protest another boat for infringements of the following MEI Rules 4.4, 5.2b, 17, 20, 21, 22, 23, 24. This changes RRS 60.1(a).

16 SCORING SYSTEM

- 16.1 The Low Points scoring systems of RRS Appendix A will apply, except as amended in the following clauses.
- 16.2 When the entry is divided into flights.
- Each flight group in a race will be scored by Appendix A, low point system (as here amended). The scores from each flight group will be combined to produce the results of the race (so that there will be two firsts, two seconds, etc). These are not ties and will not be broken by RRS A7.
 - When one start is postponed, recalled or abandoned, the race will not be completed and scored until boats in each start sail the course and finish.
 - The first sentence of RRS A4.2 is deleted and replaced with: "All other boats, including a boat that did not start, a boat that finishes and thereafter retires or is disqualified, shall be scored points equal to one more than the number of boats entered in the largest flight racing together."
 - Ties on total points will be broken by RRS A8 only for the purposes of fleet qualifications, and for awarding trophies and prizes, in which case RRS A8.2 will apply to tied scores only when the tied boats have sailed against each other.
- 16.3 When an event is sailed as one fleet, one race shall be required to constitute an event series.
- 16.4 For events where the fleet is divided into flights, three races are required to constitute an event series.
- 16.5 For all events:
- When fewer than 4 races have been completed a boats series score shall be the total of her race scores.
 - When from 4 to 7 races have been completed a boats series score shall be the total of her race scores excluding her worst score.
 - When from 8 to 9 races have been completed, a boats series score shall be the total of her race scores excluding her two worst scores;
- 16.6 For events, when a qualifying series is sailed and the fleet is then split into final series fleets, then:

- 17.2 The Race Committee may stop a boat launching, or require it to return ashore, if it is considered the boat is not adequately equipped or prepared, or for any other reason. The decision is final and will not be grounds for redress. This changes RRS 60.1(b).
- 17.3 Competitors in difficulty shall obey any instruction given by an official boat crew. Failure to comply with safety crew instructions may result in disqualification or other penalty
- 17.4 An official boat in close attendance to a craft or competitor in difficulty is an obstruction.

The penalty for failing to "tally in" is five points, added to the boats score in her last race of the day, without a hearing. This changes RRS 63.1. If a competitor fails to "tally in or out" three times at an event, on the third time the penalty will be DSQ from the race concerned without a hearing. This changes RRS 63.1.
- c) A competitor who does not tally out must request AND RECEIVE permission to compete from the race committee. The five point penalty identified in MEI Rule 20.2.a will still apply.

- g) [For offshore races] They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew].
