ABOUT US

WeatherFile.com is the ultimate solution for live wind and weather monitoring.

Developed by Richard Paul Russell Ltd, WeatherFile.com takes data directly from the highest quality solid-state ultrasonic sensors. The systems offer a 'fit and forget' solution with simple, quick and easy installation supported by our dedicated technical team.

Systems start at £1,119 inc VAT and are available in three standard models. For more information email sales@r-p-r.co.uk or call +44 (0) 1590 641223.
