- 8.1 Attachment A shows the location of racing areas *Alpha*, *Bravo* and *Charlie*. Racing may also take place in Chichester Harbour.
- 8.2 The area to be used will be posted each day on the online official notice board before flag D is displayed.
- 8.3 **Danger Area:** The entrance to Chichester Harbour is low lying and indistinct and is flanked on either side by West Pole and East Pole Sands that extend for more than a mile offshore. The West Pole and East Pole Sands merge to form Chichester Bar a little over half a mile offshore. Ebb tides in the entrance to the harbour can run at up to six knots on springs and, with a falling tide and strong winds from a southerly sector, a dangerous sea may be encountered. At certain states of the tide, it is difficult for patrol boats to operate in the area of West Pole Sands. Boats are therefore advised to follow the marked navigation channel.

10 MARKS

- 10.1 Marks 1, 2S and 2P will be Blue inflated cylinders.

- 10.2 Starting marks will be a race committee signal boat at the starboard end, and a boat or buoy with an orange flag at the port end.
